Subject: SBCAG 2004 FTIP Amendment #14, an Administrative Amendment

Dear Mr. Bagde:

This letter serves as formal notification to Caltrans, FHWA, and FTA for SBCAG 2004 FTIP Amendment #14, an Administrative Amendment. Pursuant to the authority delegated under the 2004 SBCAG FTIP, minor modifications to the 2004 FTIP will normally be handled as Administrative Amendments and may be approved at the discretion of the SBCAG Executive Director or the Deputy Director for Programming and Project Development.

I have given my approval to this amendment that makes the following changes to the project described below, consistent with the requirements in 23 CFR 450:

Change fund type for \$647,000 in Federal Emergency Relief - Road Rehabilitation/Reconstruction Funds on Santa Barbara County's Jalama Road 1995 Storm Damage Permanent Restoration Work @ MP 7.7, east of Bridge # 51C-016 project, substituting "LocalER" – Emergency Repair – Local for the "ER-S" – Emergency Repair fund in the SHOPP category. [CTIPS ID: 208-0000-0191; MPO ID: COUNTY16]

In adopting this amendment, SBCAG finds that the 2004 FTIP remains financially constrained and no change is required in the financial plan for the FTIP.

If you have any questions regarding this amendment, please contact Karin Hodin of my staff at (805) 961-8912 (email: khodin@sbacag.org).

Sincerely,

Stephen VanDenburgh
Deputy Director, Programming and Project Development
